Why Choose Us?

Let Us Deliver What You Expect – Bookkeeping Services in NYC Tailored For Small and Growing Business Entrepreneurs

At Stilz Bookkeeping, we understand the challenges of building a business from scratch.

Missing out on tax deadlines, growing pile of financial statements, and falling behind on accounting can not only affect your short term goals but also your long term business growth.

Thankfully, you don't have to do it all alone.

We help companies structure their accounting processes before they scale up. At Stilz Bookkeeping, our focus is helping start ups and young companies in technology and leisure industries as well as home based entrepreneurs.

Yes, you have the talent, the creativity, and the work ethic to fuel you through, but don’t let complicated finances and accounting figures cloud your way to glory.

Bookkeeping and Accounting Solutions for Small Businesses

A Prepared Entrepreneur Has Already Won Half The Battle. Let Us Prepare Your Accounts Professionally!

Every entrepreneur needs accurate financial statements to present to potential investors when asking for funding as well as for tax purposes. While you can always do your taxes yourself, it can get out of hand and stressful as your business grows, limiting your time and resources in managing everything full time.

That's where we step in.
Market and grow your business while we handle bookkeeping. At Stilz Bookkeeping, we employ state-of-the-art QuickBooks software and have an impeccable track record of keeping track of financial transactions, analyzing progress, and taking timely steps for achieving business goals for our clients.

Plus, there’s the satisfaction and peace of mind that your accounts are professionally managed and your books are accurately updated at all times.

With Stilz Bookkeeping in NYC, you can

- Save time and resources
- Stay prepared for the tax season
- Avoid last minute hassles and mix ups
- Focus on business productivity and efficiency
- Monitor and keep track of your cash flow and financial transactions
- Keep payables and receivables up to date
